

# Returns Information

Dear Customer

If you find you are not entirely satisfied with your selected product, please return the item, unused or unworn, within 21 days.

All items must be returned in their original packaging and have all or any tag and labels still attached. All accessories or accompanying items that were provided free of charge must also be returned with the item.

If the product has been ordered incorrectly the manufacturers will charge a 20% restocking charge which will be passed to you the customer.

We are unable to refund training manual products unless faulty.

If you find a technical fault with your product, please contact the respective manufacturer direct at the number shown below during normal working hours.

Anton	01923 274754
Sentribox	01757 630690
Rhino	01244 833790

Should you wish to return your product please telephone our customer service team on **0845 845 7222** and they will explain the process for the respective item.
